HOLYLAND AWARD SCHEME

lyland Award" is a special plaque issued by the Israel Radio Club (IARC) to both, licensed radio amateurs LS.

The plaque is based on gold anodized aluminum sheet dim. 44x32 cm. (17x12.4 inch.) Silk screen epoxy printed in two colours, showing an old panorama of Jerusalem from the Mount of Olives. It is awarded for achieving basic requirements after the first of January 1992. 10 stickers will be attached to the basic award after improving the achievements.

The Award is given for working or hearing stations in the Holyland "Areas". There are three categories: Stations operating in (A) The Holyland (B) IARU Region I (C) IARU Regions II and III. For stations operating in B/C categories; 100/50 Areas +13 Regions are required for the basic award. 12/6 Areas +1 additional region is required per sticker.

Special activities: (a) the "Holyland international Contest" takes place annually in the month of April. (b) Mobile and Portable operation are done on fixed net frequencies.

For Further information contact the Award manager + (SASE):

M. Webman, 4X4JU, P.O.Box 8181, Petah Tiqwa, 49651 Israel.
